전람회 도록

THE 35th KOREA INDUSTRIAL DESIGN EXHIBITION

## 발간사

### 제35회 대한민국산업디자인전람회에 붙여

만물이 생동하는 5월, 제35회 '대한민국산업디자인전람회'를 개최하게 되어 더없이 기쁩니다. 지난 1966년부터 매년 개최되는 이 전람회는 우수디자이너의 등용문으로서 우리 산업과 경제, 문화가 발전하는데 큰 기여를 해왔습니다. 해를 거듭할수록 더 훌륭한 작품들이 출품되고 있어 우리 디자인 계의 전망을 밝게 하고 있습니다.

올해는 영예의 대통령상을 시각디자인부문에서 수상하게 됨으로서 다양한 부문에 걸쳐 디자인의 질적 수준이 향상되고 있음을 나타내고 있습니다.

또한 디지털 시대를 반영하듯 멀티미디어 디자인 부문에서도 많은 작품이 출품되었습니다. 이처럼 새로운 부문에서 우수한 역량을 확보하는 것은 디자인 선진국의 비전을 달성하기 위한 지름길이므로 시사하는 바가 크다고 생각합니다. 앞으로 이 전람회가 국제적인 위상을 높여 갈 수 있도록 배전의 노력을 경주하겠습니다.

또한 본 대회를 통하여 미래에 우리 디자인 계를 이끌어갈 세계적인 디자이너가 탄생하는 것도 기대해 봅니다.

최근 정부의 지속적인 지원과 투자의 확대에 힘입어 디자인산업의 기반이 강화되고 있습니다. 21세기 한국디자인진흥의 요람이 될 '코리아디자인센터'의 건립이 예정대로 추진되고 있으며 디자인벤처펀드의 조성도 순조롭게 진행되고 있습니다.

기업에서도 디자인경영을 핵심경영전략으로 채택하여 투자를 늘려가고 있습니다. 이 같은 성과는 곧 디자인 계의 구성원이 각자의 위치에서 서로 노력하고 협력한 결과라고 믿습니다.

이번 전람회에 적극 참여해주신 디자이너들께 감사드리며 특히 우수디자인을 출품하여 수상의 영광을 안으신 여러분께 진심으로 축하드립니다.

산업자원부를 비롯, 많은 도움을 주신 유관기관과 심사위원 여러분께 특별히 감사드리며 앞으로도 많은 관심과 성원을 부탁드립니다.

2000년 5월 16일  
한국산업디자인진흥원 원장 정경원

## To the 35th Korea Industrial Design Exhibition

I am very glad to hold the 35th Korea Industrial Design Exhibition in May when all the creatures come to life. This exhibition has been held every year from 1966 and it has contributed to the development of Korea's industry, economy and culture as the gateway to success in life for young and talented designers. As time goes by, more excellent and more talented designers participate in the exhibition, painting the picture of the Korean design industry ever brighter.

This year, visual design was awarded the Presidential Prize, a testimony to the fact that quality of the design has been improving across various design areas. Reflecting the era of digital age, a number of pieces of work were exhibited in the multi-design section.

We believe that securing talented people in the new area is of great importance to us, since this can provide us with a shortcut to achieve the vision of becoming the leading country in the area of design industry. We will double our efforts to raise the international presence of this exhibition. We also expect that a world-famous Korea designer who will lead the future of our design industry will be introduced through this exhibition.

Recent consistent government support and expanded investment solidified the basis of our design industry. The construction of the "Korean Design Center" is under way as planned and the center will be the cradle of Korean design industry promotion in the 21st century.

Meanwhile the venture fund for the design industry is being raised smoothly as heduled. Companies started to adopt a management strategy that puts great importance to design part, increasing its investment in design. I believe that all these positive developments were the result of efforts and cooperation that those engaged in the design industry have made so far.

I'd like to thank those designers who actively participated in the exhibition this year and congratulate winners. I also want to express my special thanks to those who helped us to successfully complete this exhibition, such as the Ministry of Commerce, Industry and Energy people and others including the members of the screening committee.

We'd like to have your continuous support and interest to this exhibition in the future. Thank you.

May 16, 2000

**Kyung-won Chung**

Chairman,

Korea Institute of Industrial Design Promotion

### 3차원 디지털 애니메이션을 이용한 한국전통 탈춤에의 의미파악 과 모션 연구

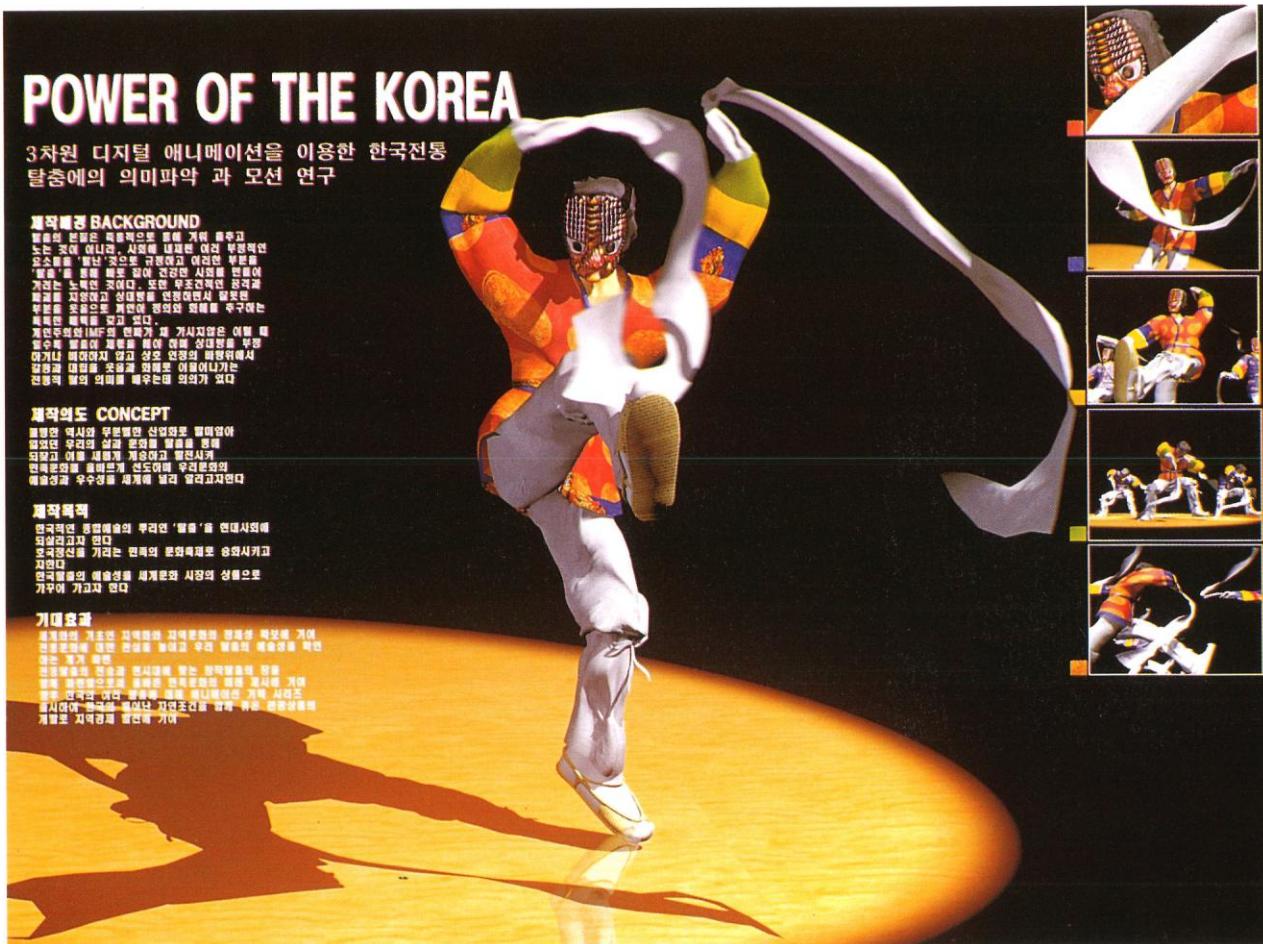

## 背景 BACKGROUNDS

## 제작의도 CONCEPT

제작의도 CONCEPT  
불평등 역사와 부문화한 산업화로 팔미야  
되었던 우리의 삶과 문화를 복원을 통해  
되찾고 이를 새롭게 계승하고 발전시키  
면서 문화재를 통해 세계에 선도하며 우리문화의  
복원성과 우수성을 세계에 널리 알리고자 한다

月晉書

한국적인 통일체제의 푸리아 '탈출'을 현대사회에  
되살리고자 한다  
한국정신을 가리는 민족의 문화체제로 승화시키고  
자 한다  
한국정체의 혁신성을 세계문화 시장의 상품으로  
가꾸어 가고자 한다

무선 키친컨트롤을 위한 GUI 디자인 GUI DESIGN FOR KITCHEN CONTROLS NETWORK SYSTEM

**무선 키친컨트롤을 위한 GUI 디자인**

**제작의도**  
무선 통신 기술의 발달로 이동화의 급속한 발전과 정보화 시대의 생활에 편리함을 더해가고 있다. 이에 Blue Tooth라는 큰거리 통신방의 개발로 이동화의 품질개선 및 무선 마우스와 키보드가 속속 등장하고 있다. 이러한 기술을 무선 Kitchen Controls Network System으로 발전시켜 가사노동의 시간을 줄이며 보다 가전제품을 손쉽게 활용하여 의도에서 제작하게 되었다.

**디자인의도**  
주된 소비자들은 주방에서 많은 시간을 보내는 20~40대의 주부들로 각 기능에 대한 이해를 돋기위해 아이콘을 개발 활용하였다. 예인, 키친컨트롤, 인터넷, 요리, 일정관리로 5가지로 나뉘며 예인은 System에 관한 안내와 배경화면의 선택기능을 주어 배경화면이 바뀔때 따라 투명판의 색의 감정화과가 다양하게 보이도록 하였다. 5개의 큰 카데고리를 누르면 바로 해당 장의 첫화면으로 이동하여 필요한 움직임을 최소화하였다.

**제작물**

입찰용 Project(인도 전동차) INDO DMRC PROJECT

1

**Design Concept**

Delhi Metro Rail Corporation (DMRC) is currently carrying out the design of the second phase of the Delhi Metro system. The second phase will consist of 100 km of track and 60 stations. The project is divided into three phases: Phase I (30 km), Phase II (100 km), and Phase III (100 km). The total cost of the project is estimated to be around \$10 billion.

The design concept for the second phase of the Delhi Metro system is based on the following principles:

- Modern Technology:** The design concept for the second phase of the Delhi Metro system is based on the latest technology and standards. The system will be fully automated and will use the latest technology for safety and efficiency.
- Energy Efficiency:** The design concept for the second phase of the Delhi Metro system is based on the principle of energy efficiency. The system will be designed to use the minimum amount of energy possible, while still providing a safe and efficient service.
- Safety:** The design concept for the second phase of the Delhi Metro system is based on the principle of safety. The system will be designed to be as safe as possible, with a focus on preventing accidents and ensuring the safety of passengers and staff.
- Comfort:** The design concept for the second phase of the Delhi Metro system is based on the principle of comfort. The system will be designed to provide a comfortable and pleasant experience for passengers, with a focus on providing a clean, modern, and spacious environment.

The design concept for the second phase of the Delhi Metro system is currently in the planning stage, with the aim of completing the project by 2020. The project is expected to create thousands of jobs and will help to improve the transport infrastructure in the Delhi region.
